# IMPORTANT NOTICE

### FOR IMMEDIATE RELEASE

**SUBMISSION OF NOTIFICATIONS OF CHANGE IN SHAREHOLDING AND/OR MEMBERS' INTERESTS AS WELL AS STRAIGHT CONVERSIONS IN TERMS OF THE POLICY FOR THE TRANSFER OF COMMERCIAL FISHING RIGHTS: 2009**

**ATTENTION: ALL HOLDERS OF EXEMPTIONS ISSUED IN TERMS OF SECTION 81(1) OF THE MARINE LIVING RESOURCES ACT, 1998 (ACT NO. 18 OF 1998)**

On 30 November 2020, the Department issued and published a Public Notice on the Departmental website titled "Amendment to Notice Published on 23 September 2020: Submission of Applications for the Transfer of Fishing Rights ("the Notice"). In that Notice, the Department communicated that Right Holders wishing to submit applications for the Transfer of Commercial Fishing Rights, including applications for the transfer of share and/or member's interest resulting in change in control of the Company and/or Close Corporation or resulting in the Company and/or Close Corporation not being as transformed as at date of the allocation of the fishing right, and Notifications of change in Shareholding and/or Members' Interests in all fishing sectors due for re-allocation were to submit their applications no later than Friday, 11 December 2020 at 16h00 with the exception of the rights granted in the South Coast Rock Lobster sector which already expired on 30 September 2020. This was to allow the Department sufficient time to consider and process applications prior to the expiry of the rights, which were due to expire on 31 December 2020.

Despite the above Notice, there have been some enquiries from Commercial Exemption Holders intending to change their shareholding and/or members' interests as well as straight conversions or name changes. As such, this Notice supplements the Notice of 30 November 2020 to provide clarity on these matters.

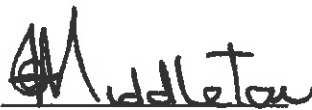

Companies and/or close corporations operating under the exemption granted in terms of section 81 of the MLRA attached hereto, from having a valid right granted in terms of section 18(1) of the MLRA, are advised that applications (lodged after the expiry of the right) for transfer of shares and/or notifications of change in shareholding and/or members' interests will not be considered during the validity period of the exemption.

Where an Exemption Holder wants to implement a straight conversion from a close corporation to a company or name change (no change in shareholding/members' interest), the Exemption Holder must inform the Department in writing of such change and supply all relevant documentation. Applications for straight conversions or name change may be submitted electronically via email to: [cscapplications@environment.gov.za](mailto:cscapplications@environment.gov.za) and must comply with paragraph 7.1 of the Policy for the Transfer of Commercial Fishing Rights: 2009 (Gazette No 32449). The Department must be notified within 30 days of any straight conversion or name change, which must be approved in writing by the Department.

Applications for a straight conversion from a close corporation to a company or name change (no change in shareholding/members' interest) in the fishing sectors due for re-allocation **MUST be submitted by no later than Wednesday, 30 June 2021 at 16h00** in order to allow the Department sufficient time to consider and process these applications prior to the invitation for applications for the allocation of commercial fishing rights for the 2021 Fishing Rights Allocation Process. The Department **WILL NOT** consider any applications submitted after this date and time.
